I would like to request a single room occupancy at Saugatuck. I have included an extra \$60.00 with my deposit for each camp at which I desire single occupancy. If single occupancy is not available, the additional \$60 .00 paid will be applied to balance owing or refunded. I understand this option is offered on a space-available basis and is not available in the handicapped cabin. A single option is not available at Camp K due to limited number of rooms.

Cancellations: Cancellations received before the due dates above will receive a \$100 refund of the registration fee. \$50.00 is non-refundable. There are **no re-funds** for late arrivals, early departures or cancellations after the above due dates. A \$25.00 service fee will be charged for all returned checks.
